

# Life Science Summer Festival

Meet your local contacts from Avantor and their suppliers, explore the latest technologies and solutions for the Life Science laboratory. Enjoy inspiring seminars, exhibition, pipetting ergonomics workshop and free lunch and coffee. We look forward to seeing you there!

**DATE: TUESDAY 1ST JULY**  
**HOURS: 9AM - 5PM**  
**LOCATION: THE NUCLEUS**  
**RESISTER WITH THE Q CODE BELOW**

## CONNECT WITH THESE SUPPLIERS!

- Abcam
- Beckman Coulter
- Bertin Technologies
- Discover Echo
- Fujifilm
- Leica
- Molecular Devices
- Omega Biotek
- Quantabio
- Polyplus (sartorius)
- Quantabio
- Syngene
- Thermo Fisher Scientific
- TriLink
- VWR collection

**Elevate Your Lab Experience!** Gain insights from expert-led seminars, take part in interactive demonstrations, all with free lunch and coffee.

# Lifescience Programme

## LIFE SCIENCE DAY: RESEARCH, TECHNOLOGY AND SUSTAINABILITY

9:00-9:30	Registration & Coffee
9:30-10:00	Exhibition
10:00-10:30	Optimising Cell Growth and Function: FUJIFILM's Innovations in Media and Small Molecule
10:30-11:00	Merging High Performance with Sustainable Design: Introducing Our Most Advanced Solutions for DNA/RNA Amplification : QuantaBio
11:00-11:30	Coffee break
11:30-11:50	Microplate Readers and Software Compliance Solution for GMP/GLP Environments : Molecular Devices
11:50-13:00	SimpleStep ELISA and Recombinant Antibody Technology: Accelerating Drug Development with Reliable Tools : Abcam
13:00-13:30	Lunch
13:30-14:00	Exhibition
14:00-14:30	Transfection Reagent Efficiencies in Life Science Research : Polyplus
14:30-15:00	Leica and Spatial Biology : Leica
15:00-15:30	Coffee break
15:30-16:10	ThermoScientific Pipetting Ergonomics Seminar & workshop
16:10-16:30	Exhibition
16:30-17:00	Wrap up, Avantor

### PLEASE REGISTER

You are welcome to join the event at any day in the day however in order to prepare numbers for the seminars and coffee/lunch we would appreciate if you could please pre register using the Q code or contact us below.
